

AUGUST NRA ACTION PISTOL MATCH (Sholar Powell): We had beautiful fall-like weather and a good crowd of new shooters for the August Match. The Defensive Pistol category continues to get good response, and we have now standardized a category for those shooters who want to shoot 6-shot strings only in DP, vs. the four 3-shot strings normally used. William Benbow was the first to try this today, and shot well. Don's red dot sight decided it wanted some vacation time, but failed to let Don know until the middle of a match... he adapted, went gangsta, and 'sprayed & prayed' without the benefit of a sight. Ray was ticked, as he had a good match and wanted Don to be on his A-game. Had a couple of new David's shooting with us today for the first time, and seemed to enjoy the match. We've got two more matches for 2012, September and October. Come on out the 4th Sunday of the month and shoot with us. Scores for this match as follows:
