

**MAY NRA ACTION PISTOL MATCH** (Sholar Powell): Had another great turn-out for the May AP match, with thirteen shooters showing up. Good day to shoot considering it was late May, and Memorial Day weekend to boot. Cool temperatures and overcast sky made it a pleasant match...the dog days of summer are coming. Had our first shooter in a long time shooting the .22LR rimfire course of fire. Hope to see more of this category of entry in the future. And we had some new shooters as well, and hope to see them again at future matches. Looks like the work is complete on the Barricade Range, with a new bench-rest rifle shed installed. This is a great adder to make the Barricade Range a multi-use range, open to all types of pistol and rifle shooting, both from the new firing line as well as the interior of the bay. Come on out and shoot the AP match in June, 4<sup>th</sup> Sunday. Scores for this match as follows:
