
1. Drive approximately 10.5 miles south of the Cape Fear Memorial Bridge from Wilmington on Highway US 17 South.
2. Look for the intersection of Highway 87.
3. Take the next paved road to the right, which is Old Town Creek Road. The sign moves on its pole so sometimes it is not in proper alignment.
4. Go to the stop sign and take a right turn onto Town Creek Road (SR1413).
5. Proceed 2.4 miles and turn right on Royal Oak Road (dirt), proceed straight ahead until you reach a T intersection and take a left. The club entrance (red, white and blue pipe gate) will be on your right approximately 250 feet.
