## **START OF UNAPPROVED MINUTES** for the 11/10/08 Meeting:

Meeting convened at 7:00 pm, with 21 members and 1 probationary member. The October Minutes and Treasurer's reports were approved.

### **Old Business:**

The BGC LeJeune skeet and trap shoots have started (see report later in newsletter).

The new skeet trap fields are progressing nicely, with the trap field construction to start shortly.

### **New Business:**

Boy Scout Camping - Since the Club has largely developed the old camping area beside the club house, BGC officers met with scout members and have tentatively decided to move the camping area to unused club property north of the skeet fields. They will further reconnoiter the area and report back.

New Constitution and Bylaws – The proposed Constitution and Bylaws were discussed at the meeting at length, with several very constructive suggestions offered. Most members present expressed support for the basic idea – to change the governance of the organization from a monthly membership meeting to a Board of Directors elected by the membership. The proposed Constitution and Bylaws are published in this newsletter, will be published in the January newsletter and voted on at the January meeting.

We will also vote on a proposal to increase the membership by 40 members in January.

Meeting Adjourned at 8:04 PM.

## **END OF UNAPPROVED MINUTES** for the 11/10/08 Meeting.

## **A THANK YOU NOTE FROM THE PRESIDENT:**

This Thanksgiving I have lots of things to be thankful for, including the good health of my family and serving as president for a group of great and generous people. The loss of my tractor (stolen from the club) was indeed a significant loss but the club chose to replace it and for this I am forever grateful. “thank you, thank you”

Secondly I must say how honored I am to be in the same company as Don Sloop and Tom Mix. They have contributed so much to the club over the years and their efforts have been acknowledged with permanent markers located at the rifle and pistol sheds. Yours truly rode in on their “coat tails” and the Skeet and Trap Fields were dedicated to me with a beautiful monument. I have heard said “that no honor is greater than one bestowed on you by ones peers” and this is very true. These monuments hopefully will stand the test of time long after we have gone on to a greater shooting team and there existence will allow us to always be a part of the Buccaneer Gun Club in spirit as it was a large part of our lives.

Although I got all of the credit for the new skeet fields there were many others that made it possible, so thank you one and all. You know how it is “some people mash the grapes and some people drink the wine”.

I will end by saying I am proud of my “Rock”, the new skeet field, all of the improvements to our club, but most of all I am proud to say I belong to the Buccaneer Gun Club and serve with some of the greatest people. Thank You, Thank You

John Scott  
BGC President

## **BUCCANEER LEJEUNE SKEET AND TRAP CHALLENGE**

The first event of the annual Buccaneer – LeJeune Challenge was held at Camp LeJeune Sunday, November 9. It is a 5 man team event, 50 skeet and 50 trap. The first event at LeJeune was 100 trap targets since BGC does not yet have its trap field finished. The Dec. 7 shoot will be 100 skeet targets at BGC.

We instituted a new scoring system whereby each Club is required to have 10 shooters, from which the 5 man team scores are generated. In the past, it was always the top 5 shooters each day, this year we wanted to broaden the participation, so the 5 man team scores are decided by adding the 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup> and 9<sup>th</sup> place scores. Everyone has a chance to participate. The Buccaneer Gun Club squeaked by with an 18 target lead. The scores went like this:

## **TRACTOR FUND UPDATE**

As of this writing 131 members have given \$14,975. That is an astonishing level of support and speaks volumes about the type of members we have in the Club. On behalf of the Club I want to thank each and every one of you for helping out in our time of need. John has been reimbursed and we are all square at this point.

## FROM THE LEGISLATIVE BENCH

**From The Legislative Bench...** As the smoke clears, never all the way, we begin to see the molding of BHO's choices for key positions. From Fox News, note the following excerpt:

*President-elect Barack Obama plans to announce his picks for top administration jobs on Monday, including Sen. Hillary Rodham Clinton as his secretary of state, transforming a once-bitter political rivalry into a high-level strategic and diplomatic partnership.*

*Obama will name the New York senator to his national security team at a news conference in Chicago, a person close to Clinton confirmed to FOX News.*

*Obama's announcements include members of his national security team and beyond, completing the nominations for one-third of his Cabinet as he moves quickly to assemble the country's new leadership in times of war and a troubled economy.*

*His selections include some of his most loyal campaign advisers and notably some who were not, including Democratic primary rival Clinton and President Bush's defense secretary, Robert Gates, staying in his current post.*

*Obama will also name Susan Rice as UN ambassador, Arizona Gov. Janet Napolitano as homeland security chief and Eric Holder as attorney general, Democratic officials told FOX News. They requested anonymity because they were not authorized to speak publicly for the transition team. Last week, he named key members of his economic team, including Timothy Geithner, president of Federal Reserve Bank of New York, as treasury secretary. Obama is not yet ready to name his intelligence advisers, one Democratic official said.*

*To clear the way for his wife to take the job, former President Bill Clinton agreed to disclose the names of every contributor to his foundation since its inception in 1997. He'll also refuse donations from foreign governments to the Clinton Global Initiative, his annual charitable conference, and will cease holding CGI meetings overseas.*

Well, we need to make the best of it... I am pleased to see BHO continuing with Robert Gates as Secretary of Defense... continuity will be helpful with the war on terrorism abroad.

As for Second Amendment issues, brace for the worst onslaught of proposed legislation aimed (pardon) at the very core of firearms freedom. As the table is set for the hungry, no, starved anti-gun glutants, the meal will be an unlimited course. As some sportsman have said in the past, "He's not after my trusty huntin' gun"... it may be in the course down the line. It is not the time for selfishness, nor has it been in the past... we must pull together as a fully united group and refrain from such devisiveness as the infamous Jim Zumbo's "terrorist's rifle" mortal sin.

Be proactive! Let's have our voices heard prior to reaction to ill-conceived, anti-gun proposals. Contact President-elect Barak Hussein Obama, when access is available, and your representatives to voice your concerns regarding the track record and stated intentions of the new administration. Not many good things flow downhill... so, from the White House to the Court House we will have to fend off as never before. All true patriots will engage the enemy of our freedoms... our Forefathers set the example.

Lock 'n' load,  
Ron

## Headline: Dick Holliday's Wagon Hit By Runaway Flagpole

If you'll recall, there used to be three flagpoles in front of the Buccaneer Clubhouse.....There are only two if you've taken a look today....According to the reports received by this reporter, Dick Holliday said he was backing his wagon across the club property in front of the clubhouse. As he was doing so the flagpole to the right of the front door ran out behind his wagon and was destroyed.....Sounds like a lie to me.....

## Headline: Blind Cowboy Found Badly Beaten Outside Butch's Saloon

An old, blind cowboy wandered into an all cowgirl biker bar by mistake. He finds his way to a bar stool and orders some coffee. After sitting there for a while, he yells to the waiter, "Hey, you wanna hear a blonde joke?"

The bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says, "Before you tell that joke, Cowboy, I think it is only fair, given that you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde woman.
3. I'm a 6-foot tall, 175-pound blonde gal with a black belt in karate.
- 4 The woman sitting next to me is blonde and a professional weightlifter.
5. The lady to your right is blonde and a professional wrestler.

"Now, think about it seriously, Mister. Do you still wanna tell that joke?"

The blind cowboy thinks for a second, shakes his head, and mutters, "No... not if I'm gonna have to explain it five times."
