**WE NEED YOUR EMAIL ADDRESS:** Please send your e-mail address to the Secretary

(ccaasmfc@cs.com), it is cheaper to send the newsletter that way, plus you will get club notices and For Sale items faster. In addition, I have about 2 dozen e-mail addresses that are now undeliverable, if you used to get your newsletter via e-mail and do not now, please send in your new e-mail address.

## **START OF UNAPPROVED MINUTES** for the 1/14/08 Meeting:

Meeting convened at 7:00 pm, 24 members, 3 guests. The December Minutes and Treasurer's report were approved.

### **Unfinished and Old Business:**

- Please check the yearly calendar to make sure the shoot dates are correct.
- The necessary permits having been recently procured, the club can now start construction of the new skeet fields.
- NOTE: Somebody shot 10 holes in one of the steel cowboys with a rifle at the cowboy action bay recently. Those targets cost the club money and are not to be shot with anything but lead bullets and shotguns designed for cowboy action shooting. Anyone caught shooting these steel targets with the wrong gun can be removed from the club for safety violations.

### **New Business:**

- The members at the meeting voted unanimously to raise the number of club members by 225 to 325.
- David Rose is taking over website management, look for improvements throughout the year.

Meeting adjourned at 7:27 pm.

## **END OF UNAPPROVED MINUTES** for the 1/14/08 Meeting.

## **CONDOLENCES FOR BGC MEMBER**

The Buccaneer Gun Club would like to extend its sympathy and condolences to longtime member Jack Kuske and his family. His wife passed away after a long illness Thursday, January 17.

## **SKEET ACCOUNTS**

Remember, you are now responsible for keeping up with your skeet account. The ledger is kept in the middle house on the skeet field so you can keep track of your account. You will not receive quarterly statements. Please look on the front page of the newsletter to see if you are delinquent. If so please remit funds to the club address for your skeet account

## **BGC FOR SALE**

Surefire M95 Weapon Light.....Small and very bright.....this is a used one that shows some wear but these are as tough as a light gets....these are currently used by military all over the world.....this particular one uses a push switch on the rear of the light to activate it rather than the pressure pad type switch which is prone to tear off...attaches to the picatinny rail forearm or other weapons with similar rails of your AR15 with thumbscrews .....these lights new are over \$350 .....\$175.00

20 gauge MEC 9000.....I'm selling this for the family of Jonathon Shook.....This is MEC's top of the line 20 gauge progressive loader.....this one also has the Multi-Scale Adjustable charge bar which eliminates the need for a bunch of charge bars and bushings.....it also comes with a box of hulls and a few wads.....this loader operates fine and is in very good condition.....the cheapest i could find a new one for is \$363 at MidSouth.....this one is \$275.00.....Reduced to \$250.00

## **MONTHLY SKEET MATCH**

11 shooters came out on a cold, rainy Sunday to bust some clays. The scores went like this:

Class A	Nick King	48
Class B	Ron Waidlich	47
Class D	Dan Montgomery	42
Class E	Bear McHenry	40

Come out next month on the 2<sup>nd</sup> Sunday and join us, it's a lot of fun and a great way to improve your wingshooting skills.

## **BGC COMES OUT ON TOP AGAIN AT SKEET AND TRAP**

The BGC skeet and trap shooters once again bested the crew from Camp LeJeune on a cold, rainy Sunday. The targets were wet but the camaraderie was great and once again the LeJeune boys outdid themselves with the food. There was beef stew,

gumbo, sausage, sausage kabobs and grilled duck and goose. Since we only had 4 shooters, they were gracious enough to let us substitute a score 2 targets less than their 5<sup>th</sup> place score. The scores went like this:

BGC		Camp LeJeune
Richard Wallace	96	
Dick Brame	95	
John Scott	91	
Jennings Rose	89	
Shooter X	88	
	<hr/>	
	459/500	454/500

BGC now leads Camp LeJeune by 22 targets with 1 shoot to go. If you like to shoot clay targets you should come out and participate. It's a lot of fun and the food is great. The next event will be Saturday, February 9 at BGC. .

## FROM THE LEGISLATIVE BENCH

The political search for Party representation has narrowed. Like the song, "Battle of New Orleans"... "Weren't as many as there was awhile ago." However, some in the candidate field are extremely dangerous to the Second Amendment... others not as dangerous. I'm afraid our choice will be for the lesser of evils.

If you have not done so, please read "Standing Guard" in the February 2008 issue of the [American Rifleman](#). The article by Wayne LaPierre, "License For Tyranny" is excellent... he provides chilling information on she-Clinton and U.S. Senator Barack Obama... "He aint frum 'roun heah." Both profess to support the Second Amendment, yet vow to further restrict your firearms rights. Both would be "unfriendly" in the White House! I believe she-Clinton is worse than he-Clinton... you know, the past impeached President who loves to play sax and sex... what a couple.

The following contact information is worth repeating; especially for our new members in BGC. This is a critical election not only for the Second Amendment, but for National Defense, Homeland Security, Foreign Policy, Illegal Immigration, Health Care, etc. Whew, I'm worn out..

When contacting NC state legislators regarding state politics you may e-mail the entire House of Representatives with [nchousemembers@ncleg.net](mailto:nchousemembers@ncleg.net) or the entire Senate with [ncsenatemembers@ncleg.net](mailto:ncsenatemembers@ncleg.net) or both with [internete-mail@ncleg.net](mailto:internete-mail@ncleg.net). When contacting federal legislators you may use the NRA contact source by visiting [www.NRAILA.org](http://www.NRAILA.org), clicking the "Take Action" icon, and then clicking the "[Write Your Representatives](#)" icon.

Our great nation needs great leadership... even if our choices are slim your vote will count in the final tally.

Weed 'em out,  
Ron

## BUCCANEER SPURS MATCH 1

We had a great first match with 7 shootist's. Yes, it was cold and raining but we had a great time. Bullseye Mike came from Raleigh and Jefro from Jacksonville. Castle Hayne Kid was TOP GUN beating out WANTED in three straight bouts with both shooting mostly in .5 to .6 seconds. I predict Castle Hayne Kid will soon be shooting in the 4's which often wins state matches. He is quick and a natural competitor. I'll try to keep up, Kevin!

Thanks to Jefro for the pictures.  
(Oh, Dick Holliday, after you draw you are supposed to hit that big circle!)

THANKS PARDS  
WANTED aka Jerry Fipps

## Headline: A Few Facts You Didn't Know About Dodge City Dude

**BGC Clothing Order** (Sholar Powell): It's that time of the year again, and we're planning to order logo clothing from Queensboro Shirt Company in conjunction with the new member class of 2008. There are some changes from the way we have ordered in the past, so please note the following steps to be taken for your order.

1. Deadline for delivery of your order, and a check made out to BGC for the sales amount plus 6.75% NC tax is Monday, April 14 (Club meeting night).
2. Queensboro no longer produces a catalog. All items for sale are shown on their website.
3. Enter their site at: [www.queensboro.com](http://www.queensboro.com)
4. Login to the Buccaneer account by using the following:  
 Customer number: 259897  
 Zip Code: 28402
5. Choose the items you wish to purchase and write down the following info for each item:  
 Style number, item description, size, color, quantity, price for each, total price
6. Add your total charge, apply 6.75% tax, and determine total charge.
7. Return order, and check made out to BGC for the total amount, to Sholar Powell **between April 1 and the April 14 deadline.**

We have a few constraints on this order, so please make sure you cover these issues:

1. Pricing is **ONLY GOOD FOR TWO WEEKS.** Therefore, do not compute your order total until after April 1, and be sure you use the current pricing on Queensboro's web site.
2. The logo will have 'fixed' colors: gold background and black lettering...no options.
3. If we order hats, they require a minimum of six (6). If you want a hat, work with other Club members to insure we make the minimum order.
4. Do not order clothing on-line...**we have agreed with Queensboro we will deliver ONE order for the entire club on April 15.**
