FROM THE LEGISLATIVE BENCH

From The Legislative Bench... Diversity has reached the pinnacle of the land in reference to the “chosen” race of our newly elected President Barack Hussein Obama. I mention “chosen” due to percentage-wise he is more White than Black, however, a precedent in the history of our great nation, none the less. Congratulations are in order for it was a monumental political task... BHO was victorious through multiple groups of the voting public, an amazing consortium indeed.

The challenges to the Second Amendment and the firearms community will be great... BHO’s Administration coupled with an “unfriendly”, no, “hostile” Congress will confront us at every turn. We must be prepared in every way... from the White House to the Court House; there will be a trickle down - trickle up revolving assault.

It is imperative to remain, if so before, or to become, if not before, a zealous patriot for the Bill Of Rights. For it is not only the Second Amendment under attack, the First Amendment is being challenged by the so-called Fairness Doctrine... an attempt to silence the conservative voice in the media. Our Fore Fathers are turning in their graves! Conspiracy (shhh!) comes to mind when contemplating the multi-pronged onslaught above the table and below it... it is not only national, but international as well. It touches all branches of government, the Executive, Legislative, and Judicial. View this for what it is... naivety is not a virtue when your way of life is on the target board.

The following contact information is worth repeating; especially for our new members in BGC. This is a critical year not only for the Second Amendment and the balance of the Bill Of Rights, but for National Defense, Homeland Security, Foreign Policy, Illegal Immigration, Health Care, etc. Socialism is here in many forms and the newly-elected Administration promises more!

When contacting NC state legislators regarding state politics you may e-mail the entire House of Representatives with nchousemembers@ncleg.net or the entire Senate with ncsenatemembers@ncleg.net or both with internete-mail@ncleg.net. When contacting federal legislators you may use the NRA contact source by visiting www.NRAILA.org, clicking the "Take Action" icon, and then clicking the "[Write Your Representatives](#)" icon.

For those wishing to contact the President through USPS mail or telephone you may do so as follows: The White House, District of Columbia, Zip Code 20500; Telephone (202) 456-1414 and Fax (202) 456-2461.

Our great nation needs to find its way again... the light through the darkness has been provided by Divine guidance and the actions of patriots since the birth of our nation. Hold tight to the principles which lead the way.

Rig up,

Ron

BUCCANEER RANGE REGULATOR GAZETTE

Headline: Mrs Dick Holliday Accepts Position With FBI As An Assassin

The FBI had an opening for an assassin. After all the background checks, interviews and testing were done, there were 3 finalists; Two Cowboys and Dick Holidays wife.

For the final test, the FBI agents took one of the cowboys to a large wooden door and handed him a gun.

"We must know that you will follow your Instructions no matter what the circumstances, Inside the room you will find your wife sitting in a chair, kill her!!"

The man said, "You can't be serious. I could never shoot my wife."

The agent said, "Then you're not the right man for this job. Take your wife and go home."

The second cowboy was given the same instructions. He took the gun and went into the room. All was quiet for about 5 minutes.

The man came out with tears in his eyes, "I tried, but I can't kill my wife."

The agent said, "You don't have what it takes. Take your wife and go home."

Finally, it was the Mrs. Holidays's turn. She was given the same instructions to kill her husband, She took the gun and went into the room. Shots were heard, one after another. They heard screaming, crashing, banging on the walls. After a few minutes, all was quiet. The door opened slowly and there stood the woman, wiping the sweat from her brow,

"This gun was loaded with blanks," she said. "I had to beat him to death with the chair."

MORAL: Women are crazy. Don't mess with them

BGC Clothing Order (Sholar Powell): It's that time of the year again, and we're planning to order logo clothing from Queensboro Shirt Company in conjunction with the new member class of 2008. There are some changes from the way we have ordered in the past, so please note the following steps to be taken for your order.

1. Deadline for delivery of your order, and a check made out to BGC for the sales amount plus 6.75% NC tax is Monday, April 14 (Club meeting night).
2. Queensboro no longer produces a catalog. All items for sale are shown on their website.
3. Enter their site at: www.queensboro.com
4. Login to the Buccaneer account by using the following:
 Customer number: 259897
 Zip Code: 28402
5. Choose the items you wish to purchase and write down the following info for each item:
 Style number, item description, size, color, quantity, price for each, total price
6. Add your total charge, apply 6.75% tax, and determine total charge.
7. Return order, and check made out to BGC for the total amount, to Sholar Powell **between April 1 and the April 14 deadline.**

We have a few constraints on this order, so please make sure you cover these issues:

1. Pricing is **ONLY GOOD FOR TWO WEEKS**. Therefore, do not compute your order total until after April 1, and be sure you use the current pricing on Queensboro's web site.
2. The logo will have 'fixed' colors: gold background and black lettering...no options.
3. If we order hats, they require a minimum of six (6). If you want a hat, work with other Club members to insure we make the minimum order.
4. Do not order clothing on-line...**we have agreed with Queensboro we will deliver ONE order for the entire club on April 15.**
