END OF UNAPPROVED MINUTES for the 5/11/09 Meeting.

FROM THE LEGISLATIVE BENCH

President BHO has chosen Judge Sonia Sotomayor for nomination to the U.S. Supreme Court. She is leftist liberal, a judicial activist, anti-Second Amendment, and an ethnic/gender racist that believes, and stated as such, her Latino/female experience makes her more capable than a white male! Can you imagine the uproar if a white male nominee made a similar statement regarding Latinos and females?! The U.S. Senate **should** rake her over the coals, chew on her, and spit her out as indigestible... will they? Many will view her as “comfort food”... hopefully, not enough to confirm.

Let's continue with the food analogy... the governmental pot is boiling, **YOU** are the stew, and the spices are Socialism, Nationalization, taxes, entitlements, bailouts, restrictions, **anti-gun**-salt-in-the-wound... one hell of a recipe! President BHO and his Administration, a significant number of Congress, and the liberals want you to Gitmo (oops) than you can tolerate. Had enough? Well, hell, it's just gettin' to cookin'.

And so it continues... again, we are experiencing unprecedented government control. When will American citizens ban together and put a stop to this **INSANITY**?! Our “non-representing Representatives” are not gettin' the message... what will it take? Not sure... but, we must do everything in our power to halt this sludge from continuing downhill into the throats of the citizenry.

The number of proposals for legislation on the state and federal level which intend to restrict or eliminate Second Amendment

rights are astounding... we have viewed the onslaught in past e-mails/newsletters. It is the intent of the oppressors to attack from all directions... more than one of the Bill of Rights is being fired upon. Keeping you posted is a passion... it is imperative that you remain focused on the battle... contact your reps continuously, perhaps the squeaky wheel will get the grease. Failure of liberty is not an option... whatever the cost.

Kudos to BGC member Ray Campbell and his "committee" for an excellent Friends of NRA banquet... it was encouraging, a feeling of pride to witness such fervor for the Second Amendment... outstanding!

Favor the Founding Fathers,
Ron

FRIENDS OF NRA EVENT BEST EVER

The "Friends of NRA" fundraiser, held May 30 at the Coastline Convention Center, was a smashing success, probably the largest "Friends" event ever in NC. Over 450 people attended and we cleared over \$22,000 to help primarily local youth shooting programs. There were many, many sponsors, too many to name here, but the community support was overwhelming. I want send a special "THANK YOU" to the committee that helped make the event such a success (if you see these folks please thank them for all their efforts):

Allen Tiner	Co-Chairman	Heather Lassiter
Tom Korman	Co-Chairman	Brandon Lutz
Wayne Aycock		Lt. Colonel James Chaffins, Jr, USA, ROTC NHHS
John Dalton		Joe Noble
Gary Hamburg		Pat and Lou Stangasser
Greg Holleman		Ed Weingart

I want to especially thank the Buccaneer Gun Club, both for their sponsorship and for all the members help and support. There were more BGC members in the room than I've ever seen in one place at the same time!!! Come join us next year...

Ray Campbell

NOTE FROM THE BGC BOARD OF DIRECTORS: We want to thank all those that made this event such a success, but we especially want to recognize and thank Ray Campbell for his leadership in making this event the success it was and will be in the future. As many of you know, the Friends dinner had not been held for several years, and usually after an event has not been held it stumbles and falters when it starts back up. But through the relentless leadership of Ray Campbell, this Friends dinner came out of the gate a real winner. Ray was a tireless organizer and worker for the event, because it was something he believes in deeply. By making it the success it was, he has not only helped youth shooting, he has helped every shooter in southeastern, NC. We, as the Board of the largest shooting club in southeastern NC, just wanted to make sure his efforts were recognized. If you run into "NRA Ray," please take the time to thank him and give him a pat on the back for a job well done.

NRA ACTION PISTOL MATCH

May NRA Action Pistol Match (Sholar Powell, Jr.): Went out to the range Sunday afternoon of Memorial Day Weekend thinking we would have little turnout and have to cancel the match.....big surprise. Had one of the better matches we've had lately. Good turnout of shooters looking for trigger-time on a Sunday afternoon. A.C. Webster came over to watch, and said he got bored watching "string repairs" on the Mover....operator error on the part of the Match Director. Bill Benbow is talking about taking his revolver to A.J. to get some 'spiffing up' done, once he saw Kevin Hill run his wheelgun. Campbell was limping around with a bum hip, and still got it done just shooting with the one good wheel. Great match and a good time had by all....drag out your centerfire semi's and wheelguns and come shoot with us next month. Winners in this match as follows:

FALLING PLATE			
Semi-Auto	Expert	Ray Campbell	400/40x
	Sharpshooter	Kevin Hill	400/40x

Headline: And The Moral Of The Story Is?

One day a farmer's donkey fell down into a well. The animal cried piteously for hours as the farmer tried to figure out what to do. Finally, he decided the animal was old, and the well needed to be covered up anyway; it just wasn't worth it to retrieve the donkey.

He invited all his neighbors to come over and help him. They all grabbed a shovel and began to shovel dirt into the well. At first, the donkey realized what was happening and cried horribly. Then, to everyone's amazement he quieted down.

A few shovel loads later, the farmer finally looked down the well. He was astonished at what he saw.. With each shovel of dirt that hit his back, the donkey was doing something amazing. He would shake it off and take a step up.

As the farmer's neighbors continued to shovel dirt on top of the animal, he would shake it off and take a step up..

Pretty soon, everyone was amazed as the donkey stepped up over the edge of the well and happily trotted off! The donkey later came back, and bit the farmer who had tried to bury him. The gash from the bite got infected and the farmer eventually died in agony from septic shock.

MORAL FROM TODAY'S LESSON:

When you do something wrong, and try to cover your ass, it always comes back to bite you.

Thanks to all the cowboys that came to the NRA dinner and especially those who dressed the part.....It added a bunch of color to the dinner.....It appears that the dinner will be a record setter as far as attendance for sure and maybe some other measures which will be determined later.....

We'll be back playing cowboy again on the second Saturday of June so be sure to be with us for another good time.....Until then don't forget to....."Take a kid shooting".....

Respectfully submitted..... Ned Bluntline
