PLEASE NOTE: SKEET LOGS MOVED

Beginning Sunday February 15th the Skeet/Trap Logs and the member's Account Ledger will be located inside a large brown desk underneath the new 42' X 48' pavilion. Your trap house key will unlock the desk.

Also located in the desk is a notebook labeled "Maintenance Needed." Please leave a note in this notebook describing any mechanical or technical problems that you may encounter so appropriate personnel can take action. However, please call the Skeet Chairman or a Director immediately if there is an urgent need. Telephone numbers can be found inside the notebook and on the front of this newsletter.

MEMBERS NOW RESPONSIBLE FOR NRA MEMBERSHIP

Due to the increasing size of the Clubs membership, we can no longer sign members up for their annual NRA membership along with the dues. You will be responsible for maintaining your NRA membership and making sure the club has your membership number with expiration date. If we do not have proof you are a member on January 31, you will be dropped from the Club, just as if you did not pay your dues.

REMINDER: CLEAN UP AFTER YOURSELF AT THE CLUB

There has been trash left on the rifle and pistol ranges, target boxes left in the skeet houses and trash and dirty dishes left in the club house lately. Please take the time to clean up after yourself when you use the club. Remember, there is no janitor or cleanup crew – if you leave trash anywhere that means another club member will have to pick it up.

BUCCANEER RANGE REGULATOR GAZETTE

February 1897

Headline: My Kind of Cowboy

A cowboy, who is visiting Wyoming from Texas , walks into a bar and orders three mugs of Bud. He sits in the back of the room, drinking a sip out of each one in turn. When he finishes them, he comes back to the bar and orders three more. The bartender approaches and tells the cowboy, 'You know, a mug goes flat after I draw it. It would taste better if you bought one at a time.'

The cowboy replies, 'Well, you see, I have two brothers. One is in Arizona , the other is in Colorado . When we all left our home in Texas ,we promised that we'd drink this way to remember the days when we drank together. So I'm drinking one beer for each of my brothers and one for myself.'

The bartender admits that this is a nice custom, and leaves it there..

The cowboy becomes a regular in the bar, and always drinks the same way. He orders three mugs and drinks them in turn. One day, he comes in and only orders two mugs. All the regulars take notice and fall silent. When he comes back to the bar for the second round, the bartender says, 'I don't want to intrude on your grief, but I wanted to offer my condolences on your loss.'

The cowboy looks quite puzzled for a moment, then a light dawns in his eyes and he laughs.

'Oh, no, everybody's just fine,' he explains, 'It's just that my wife and I joined the Baptist Church and I had to quit drinking.' 'Hasn't affected my brothers though.'

Be sure not to miss the March cowboy match as it will be the first match on our three new ranges.....Construction foreman "Wanted" says the match will be on the new ranges "Ready or Not".....If we can keep Dick Holliday from tearing up something else with the chain saw, everything should be pretty much ready.....Thanks to all the Cowboys and a city slicker or two from over at the skeet range for putting in countless hours helping make these ranges a reality...I'm not going to list them by name right now because I'd surely leave someone out...but you know who you are and we appreciate it.....

Until I see you at the March match don't forget to.....Take a kid shooting.....

Respectfully submitted.....Ned Bluntline

BGC – CAMP LEJEUNE FINAL – BGC WINS BY 2 TARGETS!!

The fourth and final challenge skeet/trap 5-man team shoot was held 2/15/2009 at BGC. Our friends from Camp LeJeune won the final skeet shoot by one target, I guess you could say they won the battle but we won the war. After 4 shoots and 400 targets shot per person, only 2 targets separated the 2 clubs at the end. In fact, Lejeune beat BGC on the finals Sunday by 1 target, but we were 3 ahead for the entire event. Though it was a bit chilly and windy, everyone had a great time. The food was once again plentiful and great. We'd like to thank everyone at the Camp LeJeune Club for their hospitality when we visited there club in November and January. Here's how the scores went for the final 100 skeet targets shot 2/15:

RESULTS FROM THE ANNUAL 2009 BGC DEER CHALLENGE MATCH

Every year in late January the Club holds an old fashioned deer rifle challenge – just bring whatever gun you use to hunt deer and come out and compete.

We had a fun time. The weather was a little cool about 15 degrees when we started the match. We had six shooters for the traditional gun. For modern class we had nine shooters. They shot from .243 to .264 mag. We had chili for lunch and John Gallagher's crew won the chili-eating contest. It's a lot of fun, you should make a note to try it next year.

THE BUCCANEER SPURS COWBOY FAST DRAW

The Buccaneer Gun Club held its February match Saturday (last Saturday of each month). Though it was not the best weather, our primers were dry with no misfires and 13 Gunslingers competed. We had a great match and all shooters competed until we called time at High Noon. At noon, the cards were sorted by the # of X's (X indicates a losing bout to another shooter). For fun, after each round, each shooter had to put a dime for each shot missed in the kitty. Shooters split the kitty at the end of the match. I think I made 50 cents but 'Linda Darlin' bout broke me.

After we shot about 3 hours, all shooters, except first and second place, had to participate in a shootoff to determine the final standing. Linda Darlin didn't finish the match and someone had to finish at the chuck wagon. Thanks again to Linda Darlin for the Chili n Beans and the Vegetable Soup. Also, thanks to Skeeter for the entertainment (picking and singing); it was great. This was also Skeeter's first official match and he came in 3rd place!

Welcome to visitors Codie aka Concho and brother Hobie. Concho brought a 45, borrowed a rig and stood his ground for the whole match. He provided a door prize, a beautiful pair of hammered buffalo nickel cuff links/pins which Kid Jallao won, darn it!

We also have another gunslinger who gave it a try after the match. I will not call any names, but Tom Morrison is a natural. As he is another lefty, he borrowed my rig and with very little instruction had mastered the thumb busting method of fast draw and was drawing in the 5.s. I think he will soon move many of us down a slot. We look forward to competing with you Tom.

I would like to take this opportunity to thank all who have worked so diligently on the Cowboy range and especially to Steve Croom aka Kid Jallao who is always there early and late for all workdays and Cowboy matches twice a month. I'm looking for Fortune Hunter, Castle Hayne Kid, High Noon Henry, Secret Squirrel and the other Clanton brothers.
