Old Business:

The website has been updated – much thanks to Lon Layton for his hard work. All members are urged to visit the website for access to current club information.

The old skeet machines are for sale – the Beomats for \$3200/pair and the Winchesters for \$1250/pair.

END OF UNAPPROVED MINUTES for the 6/14/2010 Meeting.

SPECIAL THANKS – Don Pelling, Jeff DeSantis

Don Pelling notified the Board at the June meeting he is resigning as Treasurer of the Buccaneer Gun Club, a position he has held for over a decade. BGC owes Don a debt of gratitude for his hard work and faithful service. During his tenure the club membership expanded significantly, land was purchased to consolidate the two club properties, dues were increased and a Board of Directors instituted. Don was at the center of these efforts, providing good advice and keeping the BGC financial affairs in order. With the increase in members, his duties increased significantly from keeping up with dues, workdays, NRA memberships to sending out the annual dues notices. He handled them all with the same efficiency. If you see Don at the Club, please take the time to thank him for all his hard work. We are a better club for his efforts.

Jeff DeSantis notified the Board he is resigning as chairman of the Club Store, due to changes in his work situation. Jeff is responsible for making the club store a facility responsive to the shooting and reloading needs of the members, and gathered orders several times a year for the members. Jeff will run the store until a replacement is named. If you see him at the Club, please thank him for his service.

MEMBERSHIP NOTICE - Annual Dues/NRA/Range Safety Certification:

Effective with the 2011 Dues & Workday Assessment, which will be mailed out with the December 2010 newsletter, each member is required to provide three items back to the Club with that payment.

1. Check for the correct amount of annual dues and any workday assessment stated on the invoice.
2. Proof of current NRA membership; either a photocopy of your membership card or a mailing label from your NRA magazine showing both your NRA ID number and a non-expired expiration date.

Failure to include any of these items will result in your payment being mailed back to you for inclusion of the correct info. In the event your payment is close to January 31, and you are unable to get the correct payment/info in the hands of the Club by January 31, your name will be dropped from Club rolls, and your membership terminated.

JUNE ACTION PISTOL MATCH

(Sholar Powell): We had a great turnout for the June match, with 9 shooters running the guns. We missed Lon Layton, and hope he's on his way to a speedy recovery with the bad wheels. Hot was pretty much the word for the weather....August is really going to be a bear from the looks of June. Don Pelling had his grandson Grant out with him, and he did a fine job pasting targets for us. The shooters who attended will notice some changes in the scores. The Match Director evidently had mathematical dyslexia when figuring the scores at the range, and the numbers changed somewhat when re-calculated in an air-conditioned environment at home. The Club has two great pistol matches per month....IDPA on the third weekend and AP on the fourth. Come on out and try one of these matches if you're a handgun shooter. Winners of each class are shown in bold.

Headline: Story with a good moral

The teacher gave her fifth grade class an assignment: Get their parents to tell them a story with a moral at the end of it. The next day, the kids came back and, one by one, began to tell their stories.

There were all the regular types of stuff: spilled milk and pennies saved. But then the teacher realized, much to her dismay, that only Little Dick Holliday was left.

"Dick, do you have a story to share?"

"Yes ma'am. My daddy told me a story about my Mommy. She was a Marine pilot in Desert Storm, and her plane got hit. She had to bail out over enemy territory, and all she had was a flask of whiskey, a pistol, and a survival knife.

She drank the whiskey on the way down so the bottle wouldn't break, and then her parachute landed her right in the middle of

20 Iraqi troops. She shot 15 of them with the pistol, until she ran out of bullets, killed four more with the knife, till the blade broke, and then she killed the last Iraqi with her bare hands.

"Good Heavens,' said the horrified teacher. 'What did your Daddy tell you was the moral to this horrible story?"

"Don't mess with Mommy when she's been drinking."
