MEMBERSHIP NOTICE - Annual Dues/NRA/Range Safety Certification:

Effective with the 2011 Dues & Workday Assessment, which will be mailed out with the December 2010 newsletter, each member is required to provide three items back to the Club with that payment.

1. Check for the correct amount of annual dues and any workday assessment stated on the invoice.
2. Proof of current NRA membership; either a photocopy of your membership card or a mailing label from your NRA magazine showing both your NRA ID number and a non-expired expiration date.
3. A signed Range Safety Certification form.

Failure to include any of these items will result in your payment being mailed back to you for inclusion of the correct info. In the event your payment is close to January 31, and you are unable to get the correct payment/info in the hands of the Club by January 31, your name will be dropped from Club rolls, and your membership terminated.

NRA MEMBERSHIP REQUIREMENT

The Buccaneer Gun Club is a 100% NRA membership club – every member is required by bylaw to be a member of the NRA. The best way to insure the we know you are a current member is to send a copy of your magazine mailing label to the club mailbox. That label has both your membership number and your membership expiration date. If we do not have proof of current NRA membership by January 31 each year, you will be dropped as a member of the Buccaneer Gun Club. In addition, we will no longer accept your NRA dues payment with your annual Club dues – it is your responsibility to maintain your membership.

SEPTEMBER NRA ACTION PISTOL (Sholar Powell):

We had a great turnout for the September match, with 11 shooters showing up to burn the Plates and the Mover. And we got a little rain at the end of the match cool things off. Had several new shooters and hope they will return again. Nick King is catching fire, and will be moving up in class. Wilt had his holsters on display for anyone who's looking for a nice carry/competition rig, and he stayed long enough to shoot as well...but not long enough to do a shoot-off with Lon for Marksman-Plate winner...we may do that as the first event in October if both show up. October will be our last match for 2010, so come out and shoot...and we'll have a feed of some kind for this match, so bring an appetite. Scores for September as follows:
