WE NEED YOUR EMAIL ADDRESS: Please send your e-mail address to the Secretary (dbrame55@gmail.com), it is cheaper to send the newsletter that way, plus you will get club notices and For Sale items faster. In addition, I have about 2 dozen e-mail addresses that are now undeliverable, if you used to get your newsletter via e-mail and do not now, please send in your new e-mail address.

GENERAL MEMBERSHIP MEETING – NOVEMBER 12

There will be a general membership meeting of the Buccaneer Gun Club at Carolina BBQ on Monday, November 12, at 7:00 PM. The primary purpose of the membership meeting is to present a slate of nominees to the membership for the Board and accept nominations from the floor if offered.

1. Election of Board Members. Each year 4 member's terms expire, this year they are:

Wayne Aycock, Jeff Fountain and David Rose. The seat held by John Scott was also up for re-election, and David Rose has decided to not run again.

DUES, WORKDAY ASSESSMENTS AND NRA MEMBERSHIP REQUIREMENT COMING UP

It's that time of year again – the Clubs annual dues and workday assessment notices are going out with the December newsletter. They are due December 31 and must be in the Club mailbox by January 31 or your membership will not be renewed. There are no exceptions to this rule. **In order to send the dues notices, everyone will receive the December newsletter via the US Postal Service Please make sure the Club has your correct mailing address.**

The Buccaneer Gun Club is a 100% NRA membership club – every member is required by bylaw to be a member of the NRA. The best way to insure the we know you are a current member is to send a copy of your magazine mailing label to the club mailbox. That label has both your membership number and your membership expiration date. If we do not have proof of current NRA membership by January 31 each year, you will be dropped as a member of the Buccaneer Gun Club. **In addition, we will no longer accept your NRA dues payment with your annual Club dues – it is your responsibility to maintain your membership.**

We must have the following:

1. A copy of your membership card that indicates your membership number AND the expiration date;
2. A copy of the mailing label from the front of your magazine, which has your membership number and expiration date.

Please send your membership information to Sholar Powell, PO Box 11339, Wilmington, NC 28404.

The next trap shoot is on Nov 18. In Jan 2013 I would like get together with any interested trap shooters for a meeting to discuss where we would like to go with our interests: ie, get some instruction, challenge other trap clubs to matches, get more formal with scoring class and handicaps, request additional trap fields and equipment and what trap games we want to participate in. Trap is the country's most popular shooting sport, if we all put our heads together we should be able to attract more trap shooters as well as helping maintain our club's financial health.

OCTOBER RIMFIRE 2 GUN MATCH

We had a good turnout of 14 shooters for the inaugural Rimfire 2 Gun Match. We had shooters as young as 7 years old getting it done. It seemed that everyone had a great time letting the bullets fly and hearing the steel ring and fall. We had four fun-filled stages of rimfire action, three of which I have posted up video on the BGC Facebook page. A big "thank you" to all those who helped with setting up and breaking down the match.

BUCCANEER RANGE REGULATOR GAZETTE

October 1897

Headline: What is the smallest caliber you would use to protect yourself By Dick Holliday

Someone posed the question to Dick Holliday concerning the smallest caliber that he felt comfortable using as a carry pistol. Dick recounted a story of the time he and his girlfriend were hiking in Montana when out of nowhere came this huge mama grizzly bear charging toward them....As mad as she was I figured I must have been too close to her cubs, anyway, if I had not had my 22 short derringer I would not be here today...Just one shot to my girlfriends knee cap was all it took....the bear got her and I escaped by just walking at a brisk pace...

It's one of the best pistols in my collection.....
