JUNE NRA ACTION PISTOL MATCH

(Sholar Powell): We had a dozen shooters at our June match, and just about made it to the end before the rains came. Last couple of shooters shot in the drizzle, and Lon decided he'd just take a credit rather than shooting in the downpour. That said, good turnout and good scores. Several new shooters, and hope they will return, along with some long-time club regulars. And also several shooters who have been pretty steady at the 2013 matches since we opened in April. Hope all will return in July...we have 4 more monthly matches remaining for the '13 season. The score sheets from the previous month's match will be available at the following match, if anyone wants to look at how they did at each distance; they go in the trash can after that match. Scores for the June shoot as follows:

BUCCANEER SPURS

Saturdays' match was overcast with a nice breeze, but the shooting got plenty hot. In our no X six round match the Khaos Kid was ranked 1st with only one X, followed by five other shooters with only two Xs. Everyone appeared to have improved with either hitting the target or faster times.

We had a bottom up shoot off, with Tall Pines Kid qualifying for the 7th spot in our Top Seven shoot off. When the smoke cleared it was the Khaos Kid holding off a hard charge by Stallion to take the top spot. The results of the match are as follows, with everyone's fastest shot of the day included.

- 1- Khaos Kid (.597) - CONGRATULATIONS - Top Gun!!!!
- 2- Stallion (.624)
- 3- Uncle Jefro (.613)
- 4- Winnabow Wrangler (.695)
- 5- Bell Swamp Charlie (.680)
- 6- Tall Pines Kid (.559)
- 7- Outkast (.670)
- 8- Charlie Horse(.764)
- 9- Kid Jallao (.792)

Congrats to Tall Pines Kid for the fastest time of the day with a .559 second shot. Oh Yea, this is the second time the Khaos Kid made his run to the top with borrowed equipment, way to go Khaos Kid. Just goes to show anyone can have fun and have a chance in the CFDA. Want to give it a try, give me a call or e-mail me. [910-330-7179](tel:910-330-7179)

Come join us and try out your skills on Saturday July 27th 2013 at the Buccaneer Gun Clubs OK Corral.

Headline: Dick Holliday Takes Young Bride

Dick Holliday, 85, married Jenny, a lovely 25 year old. Since her new husband is elderly, Jenny decides that after their wedding they should have separate bedrooms, because she is concerned that her new but elderly husband may over exert himself if they spend the entire night together.

After the wedding festivities Jenny prepares herself for bed and the expected knock on the door. Sure enough the knock comes, the door opens and there is Dick, her 85 year old groom, ready for action. They unite as one. All goes extremely well, Dick takes leave of his bride, and she prepares to go to sleep.

After a few minutes, Jenny hears another knock on her bedroom door, and it's Dick again ready for more 'action'. Surprised, Jenny consents. When the newlyweds are done, Dick kisses his bride, bids her a fond good night and leaves again.

She is set to go to sleep again, but, aha, Dick is back again, rapping on the door and is as frisky as a 25 year old, ready for more 'action'. Once more they enjoy each other.

But as Dick gets set to leave again, his young bride says, 'I am thoroughly impressed that at your age you can perform so well and so often. You are truly a great lover, Dick.'

Dick, somewhat embarrassed, turns to Jenny and says, 'You mean I was here already tonight?'

The moral of the story - Don't be afraid of getting old, Alzheimer's has its advantages.

IMPORTANT REMINDER TO MEMBERS:

1. The speed limit on the road is 13 miles per hour. Our relationship with our neighbors is too important to jeopardize it by something like speeding down the road. Make sure you tell any guests that come to the club about the speed limit.
2. Steel silhouette targets are not to be shot with a center fire rifle. The basic rule is, that if it is shaped like an animal then "Do not shoot it with your center fire rifle." There is no excuse for this type of range abuse as the rules are posted at the range and this item is mentioned in every news letter.....
3. When you leave the skeet fields, make sure the skeet machines are not left on (this poses a serious danger to the machines during thunderstorms), the machines are loaded with targets, spent shells and trash are picked up. It is your duty to clean up after yourself and make sure the machines are de-cocked and loaded.
4. If any of the trash cans are full, take them to the dumpster and dump them out.

**** WHEN YOU USE THE CLUB, PLEASE LEAVE IT IN BETTER SHAPE THAN YOU FOUND IT.**

**** TAKE YOUR PAPER TARGETS DOWN AFTER YOU USE THEM, DON'T LEAVE THEM UP TO GET WET AND BLOWN ALL OVER THE FIELD.**

**** PICK UP YOUR BRASS AFTER SHOOTING.**

**** PICK UP YOUR SHOTGUN SHELLS WHEN DONE AND RELOAD THE MACHINES.**

**** THE ANIMAL-SHAPED STEEL TARGETS ON THE RANGE ARE FOR PISTOL ONLY. DO NOT SHOOT THESE TARGETS WITH A CENTERFIRE RIFLE. DIRECTIONS FOR CALIBER OF PISTOL TO BE USED ON SPECIFIC TARGETS ARE POSTED ON SIGNS AT THE RANGE.**
