BGC MINUTES

START OF UNAPPROVED MINUTES for the 9/9/13 Meeting:

A quorum was not present, thus no business was conducted.

END OF UNAPPROVED MINUTES for the 9/9/2013 Meeting.

MEMBERSHIP COMMUNICATION

The official means of communication with BGC members is via the email system. We have 400 annual members and 16 Life members, thus communicating by mail would be cumbersome and more expensive. Currently there are 40 members that have not provided us with an email address, they will continue to receive the monthly newsletter via the U.S Postal Service. However, meeting notices and Club information will be sent out via email and be our primary form of communication.

SEPTEMBER OPEN TRAP RESULTS

There were seven shooters who participated in September's Open Trap Shoot. The weather was perfect for a high scoring event however all of the shooters seemed to have misplaced their A Game.

SEPTEMBER NRA ACTION PISTOL (Sholar Powell, Jr.): Woke up to rain Sunday morning and figured the match would be rained out, so I left home with no guns intending to just work on the Mover. But it let off early, and we ended up with a good turnout. Ray had left the house and forgotten his nametag, but even with the return trip to pick it up, he got there in plenty of time to shoot and serve as Range Officer. With Russ Miller now retired from the US Army, we hope to extend the season on Action Pistol, and carry it past the normal October end date. Russ has agreed to act as Director for matches in the winter. More to follow on that later this year. Had a first time shooter this month with Charlie White and hope he shows up again. Good to see all the 'usual suspects' again this month, and hope to see all again in October. Scores from this match as follows:

2013 REGIONAL SOUTHEAST BIG BORE SILHOUETTE CHAMPIONSHIP

Labor Day weekend Buccaneer Gun Club hosted the 2013 Regional Southeast Big Bore Silhouette Championship.

We had shooters from Louisiana, Georgia, South Carolina and the Charlotte area and they are the best of the best in the United States. They consistently rank #1, 2 and 3 all over the country.

A total of 17 shooters and 85 different guns were shot over the weekend with 60 rounds on each match. This means we send down over 5100 rounds down range, not including sighters.

Some of our local shooters who won and/or did well are Jon Mix, Jeff Fountain, Bill Harding, Brian Simpson, Bill Wells, Richard Thompson and David Hamilton from Raleigh who shoots with us every match.

We had an excellent time and the people from out of town were very impressed with our facilities and have asked that we host this event again in the future. We provided dinner for everyone Saturday night, which was catered by Smithfields.

A special thank you to my wife, Renae who handled registration, food, and general public relations for the club. A special thank you to Jon Mix, Richard Thompson and Jeff Fountain for their coordination in getting the range ready and everything organized.

We have had so many shooters either call us and email us and tell us how much they enjoyed the matches, camaraderie, and the facilities of our club. Almost all of them said it was the most relaxed and fun competition they have ever been to and they travel the country.

Jon Mix, Jeff and Renae Fountain are looking forward to hosting this event again in the future. We have become part of a family of silhouette shooters who appreciate our club and what we have done to make them feel welcome. Southern Hospitality at its best!

Jeff Fountain

BUCCANEER RANGE REGULATOR GAZETTE

October 1897

Headline: Hunting Season Is In

A young Tombstone farm couple, Ole and Lena, got married and just couldn't seem to get enough lovin'. In the morning, before Ole left the house for the fields, they made love. When Ole came back from the fields, they made love. And again at bedtime, they made love.

The problem was their "nooner"; it took Ole a half hour to travel home and another half hour to return to the fields and he just wasn't getting enough work done.

Finally Ole asked the town doctor what to do. "Ole," said the doctor, "just take your rifle out to the field with you and when you're in the mood, fire off a shot into the air. That will be Lena's signal to come out to you. Then you won't lose any field time."

They tried Doc's advice and it worked well for a while. Ole came back to the doctor's office. "What's wrong?" asked the Doc. "Didn't my idea work?" "Oh, it worked real good," said Ole. "Whenever I was in the mood, I fired off a shot like you said and Lena'd come a runnin'. We'd find a secluded place, make love, and then she'd go back home again."

"Good, Ole. So what's the problem?" asked the Doc.

"I ain't seen her since hunting season came in."
