BGC MINUTES

START OF UNAPPROVED MINUTES for the 5/12/14 Meeting:

Meeting convened at 7:00 PM at the BGC Clubhouse. Board Members Present: Wayne Aycock, Tom Baldwin, Dick Brame, Jim Caison, Ray Campbell, Dave Ernst, Jeff Fountain, Tami Hahn, Tom Mix. 5 members were present.

The Minutes from the March 10 meeting were approved.

New Business:

Guest Policy

The Board discussed the guest policy and problems that have arisen. The current Bylaws state:

ARTICLE III. GUESTS

A member is entitled to bring guests to the club or club functions, limited to two guests per visit, not to exceed three visits per guest per year. The exception will be for guests who reside outside of a 100 mile radius of the club or anyone who has an active membership application on file for the current year.

Apparently some have interpreted this to mean a guest could attend 3 times with one member, then 3 times with another member. That was not the intent of this rule, a guest can come to the Club 3 times annually. They are of course welcome to any of the shoots open to the public.

In addition there was confusion about the 100 mile radius exception, so the Board voted unanimously to eliminate this section. The new section of the Bylaws will read:

ARTICLE III. GUESTS

A member is entitled to bring guests to the club or club functions, limited to two guests per visit, not to exceed three visits per guest per year. No guest may come more than 3 times each year. The exception will be for anyone who has an active membership application on file for the current year.

This rule does not apply to members of your immediate family. They are welcome anytime.

Initiation Fees

A Board member asked that the Board consider allowing the Initiation Fee for new members to be paid in installments. After some discussion, the Board decided to consider the issue at a later date should it become a problem.

Youth Guests

The Board has always tried to foster youth shooting, and the Club has had several requests for someone to bring a group of kids out to shoot. Due to liability issues, we cannot allow that to occur, but the Board did decide to allow someone to bring a guest who has one or two minor children (17 or under) with him or her.

Youth Guest Policy

In order to help foster youth shooting, each member may bring 2 adult guests per visit, as well as up to 4 additional minors (17 or under, no more than 2 minors per guest), for a total of 6 individuals. A Parental Consent Form (available on the website at

<http://buccaneergunclub.org/misc/BGCMinorAuthorizationForm.pdf>) must be filled out and signed by the parent or legal guardian of each child, this form must be with the supervising adult during the visit.

As a reminder, BGC host member must remain with guests at all times and **all guests** as well as each parent or adult with the children must be present and ***sign a hold harmless agreement for themselves as well as each minor child.*** BGC member is to have **all** guests sign in upon arrival (parents shall list minors under their names) and wear name tags while on BGC grounds (including minors). Per prior policy, each guest is still limited to 3 total visits per year.

The same general policy applies to members, a member can bring 2 youth shooters per visit, if they are not your kids you must have a signed parental consent form for each child and sign them in as your guests

Again, members of your immediate family are welcome anytime and they only have to sign in as guests normally do. There is no limitation on the number of your own children you may bring to the Club.

END OF UNAPPROVED MINUTES for the 5/12/2014 Meeting.

FRIENDS OF NRA BANQUET A BIG SUCCESS

The 2014 Friends Dinner was another success. At first glance it appears that we should net in the \$34,000 range. We had a crowd of 400 or so and I'm pretty sure everybody had a good time. As always, Middle of the Island Caterers put on a good feed. We auctioned and raffled off the better part of 80 pistols, rifles, and shotguns. I can't say enough good things about the Buccaneer members that helped on the committee and also helped run the games and raffles. I think I'm correct in saying that this year's event was the smoothest I ever remember, a big part of that was the abundance of volunteers. Thanks to all of you.

Buccaneer members are also some of the most generous folks I know. I hardly ever went to the range that someone didn't have something for us to use for the silent auction or a raffle. I think at least six of the guns were donated by Buccaneer members. I also got a few donations of cash from folks that could not make the event but wanted to help. The reloading goodies that a member donated probably raised \$400 when I sold them online to you guys.

A very big Thank You goes to Tami Hahn who was not able to attend the event but worked tirelessly to coordinate the volunteers and just generally keep me on the straight and narrow. I have said this privately but now I'm going to tell all of you that I may be the "Front Man" for the Friends event, but Tami is the "Brains of the Outfit." Hope to see you in 2015. Ray

SECRETARIES NOTE: We should all give a big thank you to Ray, Tami and the rest of the committee. I've been directly involved with running over 100 fundraising banquets, and am well aware of the dedication and commitment it takes, especially the volunteers. Next time you see a Committee member, but especially Ray and Tami, please take a moment and thank them for their service to our shooting community. They, each and every one, deserve it for a job well done.

MAY MONTHLY TRAP SHOOT SCORES

Last month's event was cancelled because of Easter, bad weather and lack of participants. This month the rain held off long enough for twelve shooters to complete the Open Trap Event. Eric Leo started off like a ball of fire shooting a 24 for the first match but then lost the edge on the second round. The next event is June 15th so come on out and test your skill. Breakdown is as follows (* denotes winner):

MAY NRA ACTION PISTOL MATCH (Sholar Powell)

We had another good turn-out for this match with both the usual suspects as well as some new shooters. Reasonable temperature and a light wind made for a nice day to have a match. Thanks to Ray, Russ and Mack for showing up to help with Range Officer duties, making the match move extremely well. Some of the shooters have requested a "training day" to get familiar with shooting the Mover as well as the rules, etc. of NRA Action Pistol. Therefore, at the conclusion of the June Match, we'll keep the range open for those who want to stay, and run the Mover, answer questions about Action Pistol, and generally have a fun shoot. Scores from the May match as follows:

Headline: Spitting Contest Leads to Gunfire

You know how it goes....when cowboys get together they will always be comparing to see who has the longest.....gunbarrel.....or who can shoot the straightest, or who can throw a knife the best, or something. Well at the Hard Times saloon last month the subject came up on who could spit the straightest. This reporter thinks the subject was brought to the forefront when Doc Clock spit a plug of tobacco at the spittoon and happened to get more tobacco on Blacksmith's boots than he got in the spittoon..... The short tempered Black Smith went for his 45 but before he could draw Sheriff Holliday grabbed his gun hand (That Sheriff really has fast reflexes).....The Sheriff calmed the situation by reminding the pair that they both were grown men (there may be some argument on that subject) and surely there was a better way to settle the situation.

Well after some discussion a spitting contest was devised. Since tobacco spitting is now included in the Cowboy Olympics over in Tombstone, the Olympic standard distance of 3.375 meters was decided upon as the correct distance to use for the contest. Doc and Black Smith squared off as the first contestants. Black Smith went first and must have sneezed or something during his windup and his plug went off course and landed square in the middle of Doc Clocks new Stetson hat.....Well grownups or not, that was the final straw and Doc started blasting with his pistols, rifle and shotgun. As usual Doc didn't hit much and since no one was injured the Sheriff declared Doc the Winner by default.....
