# FRIENDS OF NRA BANQUET A BIG SUCCESS

Well another Friends Dinner is in the History books and what an event it was.....

Early in the day on Saturday my phone kept ringing with folks wanting to know if there were tickets still for sale...

You guys started showing up at 5:15 so the action started early.....By 6:00 or so we had a full house and when the food was served people actually had trouble finding a seat although we had set up for 400 souls....

The games, raffles and auctions went very well and the food was as good as ever,,,,,and we actually got out a little sooner than previous events...

Our initial count shows that we made over \$45,000, which exceeds last year by \$12,000.....A lot of that increase is due to you folks donating guns, ammo, professional services and all sorts of other stuff.....We literally made thousands of dollars on your donations.....

I think one thing that helped it go smooth and faster was all the BGC volunteers that we had running the games and helping out in other ways.....So here is a big "Thank You" to all the members and wives that helped.....If I tried to put all your names in this note I know I'd forget somebody but you know who you are and thanks to you again.....Ray

**SECRETARIES NOTE:** We should all give a big thank you to Ray, Tami and the rest of the committee. It takes a lot of dedication and commitment to put on a banquet, especially the volunteers. Next time you see a Committee member, but especially Ray and Tami, please take a moment and thank them for their service to our shooting community. They, each and every one, deserve it for a job well done.

**WE NEED YOUR EMAIL ADDRESS:** Please send your e-mail address to the Secretary (dbrame55@gmail.com), it is cheaper to send the newsletter that way, plus you will get all the club notices and For Sale items. In addition, I have several e-mail addresses that are now undeliverable, if you used to get your newsletter via e-mail and do not now, please send in your new e-mail address.

## Dick Holliday's Wife Killed During Bank Robbery

A hooded robber burst into a Texas bank and forced the tellers to load a sack full of cash. On his way out the door, a brave Texas customer grabbed the hood and pulled it off revealing the robber's face. The robber shot the customer without a moment's hesitation.

He then looked around the bank and noticed one of the tellers looking straight at him. The robber instantly shot him also. Everyone else, by now very scared, looked intently down at the floor in silence.

The robber yelled, 'Well, did anyone else see my face?'

There were a few moments of utter silence in which everyone was plainly afraid to speak. Then, one old cowboy, Dick Holliday, tentatively raised his hand, and while keeping his head down said, 'My wife got a pretty good look at you.'

Please be with us on the second Saturday for another Cowboy Shoot'em up....Till then, don't forget to "Take a kid shooting"

Respectfully submitted

Ned Bluntline
