### **Trap Match**

Well it was a great start for our First Saturday shoot without rain, but we had plenty of wind and was it cold to make up for the rain. The wind as always made for some very tricky targets.

We had a good turn out today with 5 squads. The top gun for the day at 16 yard trap was Nathan Snyder with a score of 48 to take A Class. The winner's in B Class was Pat Childers and Jon Joyner with scores of 44. The winner in C Class was the man from Alaska, John McCellan with a 38 and for D Class we had Eric Leo with a score of 32.

The top score for the best all-around Singles, Handicap and Doubles with a score of 134 was David Barron.

I would like to thank Richie Long, Pat Childers, Jason Harris, Eric Leo, Alex Gonzalez and Rich Rossi for their help. What a great group of guys that pitched in to make it a good windy and cold Trap Day at Buccaneer.

## Friends of NRA Event is History

Hey Guys and Gals

Well, another Friends of NRA fundraiser is in the record books.... and what an event it was!!!! We practically filled up the Convention Center Grand Ball Room.....Everybody I've talked to loved the new location and although everybody likes Middle of the Island food a little more, I've not had any complaints on the food or the service....

Now for a few facts and figures.....We grossed more sales by over \$10,000.....but when we back out the expense for the new location (which is way better than before) it appears that our net will be approximately \$60,000, which is pretty much the same or a little more than last year when all is said and done....

How'd we do it?????.....Your participation made it happen....Your showing up, spending your money and most of all your donations of cash and goodies.....Without those, we wouldn't have even been close to last year....

If you couldn't attend but still want to help "It ain't too late"...Send a check to Friends of NRA at PO Box 925, Oak Island NC 28465....because it'll be a couple of weeks before they close the books for this year's event....

Looks like next year's dinner is planned to be around April 18, 2020....

Thank you again very much for helping the Friends of NRA to "Take a kid shooting"

Ray, Tami and your Friends Committee....

## Cowboy Match

Regulator Gazette  
April 1897

### Headline....So you want to be a lawman

A young Texan grew up wanting to be a lawman. He grew up big, 6' 2", strong as a longhorn, and fast as a mustang. He could shoot a bottle cap tossed in the air at 40 paces.

When he finally came of age, he applied to where he had only dreamed of working: with a West Texas Sheriff's Department. After a series of tests and interviews, the Chief Deputy finally called him into his office for the young man's last interview.

The Chief Deputy said, "You're a big strong kid and you can really shoot. So far your qualifications all look good, but we have, what you might call, an "Attitude Suitability Test", that you must take before you can be accepted. We don't let just anyone carry our badge, son."

Then, sliding a service pistol and a box of ammo across the desk, the Chief said, "Take this pistol and go out and shoot: six lawyers, six meth dealers, six Muslim extremists, six Democrats, and a rabbit."

"Why the rabbit?" queried the applicant.

"You pass," said the Chief Deputy. "When can you start?"

God Bless Texas!
